# Transkey

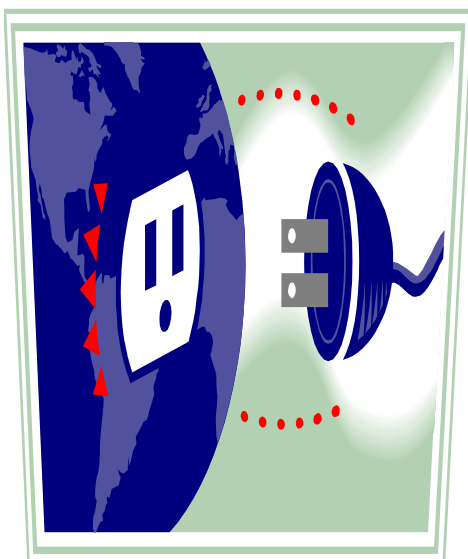

**An ERP  
solution for  
Logistics  
management,  
fleet  
management  
and payroll**

# *Software Highlights*

## **Online Support & Offline Data Transfer**

Branch Office in Delhi , Mumbai , Singapore etc...Head office in Kolkata. No problem , Seamless Control by central server.And offline data transfer from anywhere to H.O. using our inbuilt tools.

## **Export data to Excel & PDF**

Export to Excel. Export to PDF. All reports and screen queries. Even filtered once. From Cockpit. From Masters. Entries too.

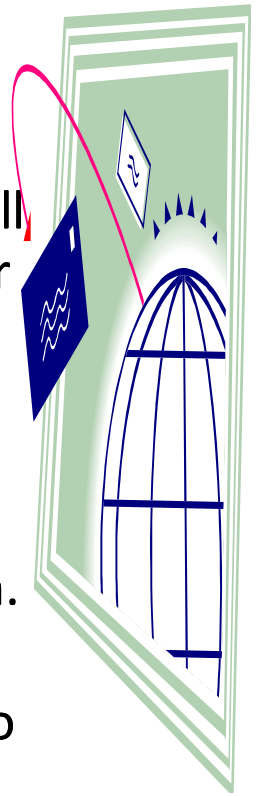

TRANSKEY is a very user friendly,  
Flexible and powerful  
Windows/Lan/Desktop/Online/Remote  
ver. Transportation management  
software, which records and tracks link  
between all your transactions from  
Consignment Note, Lorry Hire challan  
advance & balance payment to final Bill  
& Money Receipt raising & delivery  
against Consignment notes with option  
of multi Branches, GST and TDS.

This solution is a comprehensive  
software with all possible modules  
clubbed, from booking of a  
consignment, planning delivery  
schedules, warehousing, customer  
transaction accounts &  
Administration, invoicing to MIS.  
Transkey is offered with customer  
required customization taking shape  
as per the work flow of the company.

# Special Features
